February 2022

This year is flying by quickly. I'm excited about the learning and growth that is happening at Cokeville Elementary School. At this time of year, I like to infuse a little extra motivation to keep students going in relation to their reading of books. You may be aware that earlier this month students got to choose between duck tapping me to the wall, having me kiss an animal with lipstick, or throwing whip cream pies at me if students met their individual goals and the school met a school wide goal. Students overwhelmingly chose to earn whip cream pies. Thank you for encouraging your child to continue to read to help students meet this goal.

We have a lot of exciting learning and activities to happen yet this year. Thank you for ensuring your student has completed his/her homework and is spending the time to practice math facts at home. In this way and others you make a huge difference in the education of your child. Thank you for all you are doing to support your students.

Sincerely,

Kenneth Dietz
Cokeville K-12 Principal
