- 5/11 AR points due
- 5/23 CES Awards assembly
- 5/25 Last day of school

It's testing time at CES!

Gold Coin Kindness Race is in progress

Principal's Note

It is hard to believe we are approaching the end of the school year. Thank you for continuing to encourage your child to read and practice their math facts. You make a significant difference in encouraging your student to do his/her best academically. As things continue to warm up, we will be scheduling the dunk tank reading reward your students earned.

We are also approaching WYTOPP testing, which is our state assessment related to your student's academics, starting next week. Thank you for ensuring your child gets plenty of sleep and has a good breakfast. Your child's teacher will communicate the specific dates your child will be taking the assessments. CES will be doing encouragement activities and incentives to help encourage your child to do his/her best. You make a huge difference in encouraging your child as well. Thank you for encouraging him/her to try their best on each of the problems they work through.

I, with you, am excited for things to warm up. As snow melts, there will be new opportunities and challenges. As the playground thaws and mud appears, please encourage your student to stay out of the mud puddles and stay dry. We look forward to the opportunities that warmer weather will provide.

Sincerely,

Kenneth Dietz
Cokeville K-12 Principal
