

Cokeville Elementary Newsletter

January 2025

Dear Parents / Guardians:

We hope you had a wonderful Christmas break full of good food, family, and the best of memories! We are excited to begin the second semester and continue building on the learning that occurred during the first semester. Thank you for ensuring your student continues to be ready for the winter weather. We appreciate your support as we continue to help your child grow in all areas.

We are excited to be hosting a math night on January 9, 2024. There will be a new presenter focused on the math games that can be played with dice. This year we will hold the event in the gym so the presenter is able to better see the group and to create more ease with asking questions. K-2 will be from 6:15 - 7:05 and 3-6 will be from 7:15 - 8:10. We hope to see you there!

Cokeville Elementary staff will be participating in a round of instructional coaching, which we hope to make a twice a year occurrence in the future. Tami Bebee-Schwartz, a literacy expert will be working with literacy groups to provide feedback to teachers and paraprofessionals related to instructional groups throughout the day. This will mean many groups will be meeting outside their normal time to ensure we maximize Mrs. Bebee-Schwartz expertise. We are excited to have an opportunity to receive feedback and improve on our existing practices.

Cokeville Elementary students will be celebrating the reading that has occurred in the second quarter on January 13, 2024. Students loved going over to the high school to play games and have treats, and this will occur again this year. We will bring the bounce house over, share root beer floats, participate in floor hockey, dodge ball, bowling, and other games. We are grateful for the opportunity to celebrate literacy with your child. Thank you for continuing to encourage your child to read. Reading consistently is one of the best ways to increase literacy skills in students.

We look forward to a great 2025! As always please reach out if you have any questions.

Sincerely,

Kenneth Dietz
Cokeville K-12 Principal

Parents, our annual Early Childhood Census is now happening! We ask that you go to www.lscd2.org and click on the link provided or use this QR Code or direct link to access the census and fill it out for any of your children who are birth to 5 years old and not enrolled in kindergarten yet. The district uses this information to plan for future needs of our schools and to get important information to you the year before your child will enter kindergarten. In January, there will be a census worker in your area that will contact you if you have not filled out the census online. The census will be open now through January 25. Thank you for taking the time to complete this census! If you have any questions about the census or have trouble accessing it, please contact Emily Isaacson 307-885-7129.

Upcoming Events

- 1/9 AR points due
- 1/9 Math Family Night
- 2/27 No School
