## January 2026

### Calendar

- 1/15 End 1st Semester
- 1/15 AR party @ CHS
- 1/19 Family Math Night  
6:00

### Preschool Census

Parents, our annual Early Childhood Census is now happening! We ask that you go to [www.lscd2.org](http://www.lscd2.org) and click on the link provided or use this QR Code or direct link to access the census and fill it out for any of your children who are birth to 5 years old and not enrolled in kindergarten yet. The district uses this information to plan for future needs of our schools and to get important information to you the year before your child will enter kindergarten. In January, there will be a census worker in your area that will contact you if you have not filled out the census online. The census will be open now through January 25. Thank you for taking the time to complete this census! If you have any questions about the census or have trouble accessing it, please contact Emily Isaacson 307-885-7129. <https://forms.gle/PLpb2HcD2FVMYas49>

### Principal's Corner

Welcome back, Cokeville Elementary! We hope you all had a wonderful Christmas break filled with rest, family time, and meaningful celebrations. It has been great to see our students return with energy and enthusiasm for the new year.

As we get into full swing with winter activities, we want to encourage our families and community members to continue supporting Cokeville High School activities in the coming weeks. The high school musical, along with cheer, wrestling, and basketball, all provide wonderful opportunities to cheer on our students and celebrate their hard work and talents. We also invite you to support our junior high cheer and junior high boys basketball teams, where many of our sixth graders are actively involved and gaining valuable experience. Your presence at these events strengthens our school community and means a great deal to our students.

As we move into January, we want to remind everyone that the end of the 1st semester is quickly approaching on January 15th. This is an important time for students to finish strong, complete assignments, and demonstrate the great progress they have made. On the same day, we will also be celebrating our students' reading achievements with the Accelerated Reader (AR) Party at CHS. We look forward to recognizing their hard work and encouraging continued growth in reading. Students who read over Christmas Break can test on books and have it count for their 3<sup>rd</sup> quarter AR points. Thank you for supporting your child's literacy journey.

With winter weather fully upon us, please help ensure students come to school dressed warmly each day. Coats, hats, gloves, and boots are essential for outdoor recess and help keep our students comfortable and ready to learn throughout the day.

We will be hosting a math night at CES on January 19<sup>th</sup> starting at 5:30. As in previous years, we will be focused on providing your family with manipulatives and information on how to support your child's math growth at home. Your attendance at this event will be important, if you are available, as this will be a Title I sponsored parent engagement activity.

Thank you for your ongoing support of Cokeville Elementary. We are excited for a great second half of the school year and appreciate all you do to help our students thrive.
