

Cokeville Elementary Newsletter

March 2026

From the Principal

March is full of momentum here at Cokeville Elementary School, and we continue to be grateful for the partnership we share with our families.

Last week, we had the opportunity to host a literacy coach at CES. She was truly excited and blown away by the progress our students have made so far this year in reading. The growth she observed is a direct reflection of the hard work happening in classrooms each day—and the support students are receiving at home. Thank you, parents, for reading with your children, encouraging AR goals, and reinforcing literacy skills. Your involvement makes a tremendous difference.

We look forward to celebrating that progress at our 3rd Quarter AR Party on March 12th. It will be a great time to recognize students' commitment to literacy and the goals they've achieved.

Parent-Teacher Conferences will be held on March 10th and 11th. These conferences are an important opportunity to celebrate growth and collaborate on next steps for the remainder of the year. We strongly encourage all families to attend and connect with teachers.

We also want to thank the students and families participating in our Math Fact Club after school. Building automaticity with math facts strengthens overall math confidence and success. We appreciate the extra effort and commitment from both students and staff who are making this program possible.

Looking ahead, our 4th-6th grade Ski School will take place on March 16th and 17th. Please return permission forms as soon as possible and contact the elementary office with any questions. We are excited to provide this opportunity for students to build skills and enjoy time outdoors.

Our 6th grade students will have the opportunity to participate in junior high track beginning March 30th. We are proud to see our students stepping into new challenges and representing Cokeville with Panther pride.

Finally, Cokeville High School will host a Peewee Wrestling Competition on March 17th. It's always exciting to see our younger athletes compete and continue the strong wrestling tradition in our community.

Thank you for your continued support of Cokeville Elementary. Together, we are making meaningful progress for our students every day. We are proud to be Panthers! ❤️🧡
