

Cokeville Elementary Newsletter

April 2026

Dear Cokeville Elementary Families,

As we move into an exciting stretch of the school year, I want to thank you for your continued support at home. Your encouragement in helping your child read regularly and practice math facts is making a meaningful difference in their academic growth. We truly appreciate the partnership we share with our families.

We recently celebrated literacy success with our Silly String AR Party—what a fun and well-earned event for our students! It was wonderful to see their enthusiasm for reading come to life. We are now looking forward to our end-of-year Water Party Reading Celebration, which will be another great opportunity to recognize student effort and achievement. Thank you for continuing to encourage your child to read consistently.

Please take note of the following upcoming events and important dates:

- **April 2:** 5th Grade Maturation Meetings
- **April 9:** Kindergarten and 5th Grade Combine Field Trip
- **April 30:** Kindergarten Orientation at 3:15 p.m.

Additionally, we will begin WYTOPP state testing mid-month. Teachers will be sending home specific schedules. These assessments are an important measure of student academic growth and help guide our instructional decisions. We encourage all students to do their very best and come prepared each day. As normal, we will be participating in encouragement activities to help motivate our students to try their best on these important assessments.

Thank you again for your continued support of Cokeville Elementary. We are proud of the hard work our students are putting in and look forward to a strong finish to the school year.

Sincerely,

Kenneth Dietz
Cokeville Elementary School
