November Newsletter

Cokeville Elementary 2026

Principal's Note

November is a wonderful time to reflect on the many things we have to be thankful for at Cokeville Elementary! We are especially grateful for our outstanding students, dedicated teachers, and supportive parents. We have much to celebrate as we continue working together to help every student succeed!

Outstanding WYTOPP Results – Congratulations, CES! We are incredibly excited to celebrate some remarkable academic achievements! Cokeville Elementary was the second-highest achieving elementary school in Wyoming as measured by WYTOPP. Even more impressive, not a single student scored Below Basic in any subject! Additionally, 64% of our students scored Advanced in mathematics, and over 50% scored Advanced in science! These accomplishments reflect the tremendous dedication of our students, teachers, and families. We are especially proud that our students are achieving at such high levels while ensuring that every student is experiencing academic success. Congratulations to our entire school community!

Keep Reading and Practicing Math Facts! We encourage parents to continue supporting learning at home by having students read daily and work toward their Accelerated Reader (AR) goals. Just 15–20 minutes of reading each day can make a tremendous difference in reading development.

Additionally, please help your child practice math facts for 5–10 minutes each day. Strong math fact fluency provides an important foundation for more advanced mathematical learning. Thank you for helping us build on our academic success!

Parent–teacher conferences will take place during the week of November 16.

We encourage all parents to attend and visit with teachers about their child's progress, accomplishments, and opportunities for growth. Strong communication between home and school is essential to student success!

Important November Reminders

Dress for the Weather: With colder temperatures and snow arriving, please make sure students come to school prepared with warm coats, gloves, hats, and appropriate footwear. We want students to stay warm and enjoy outdoor recess!

Together Everyone Achieves More! Our school theme, TEAM – Together Everyone Achieves More, is reflected in the outstanding accomplishments of our students. These successes would not be possible without the combined efforts of our students, staff, and parents.

As we approach Thanksgiving, thank you for your continued support and commitment to making Cokeville Elementary such an exceptional school. We wish your families a wonderful Thanksgiving!

Kenneth Dietz
Cokeville K–12 Principal
